Power charger Choetech C0030, 2A, 2x USB (white)

Choetech mains charger C0030

Need to charge 2 devices? You no longer need to use 2 different chargers! The C0030 from Choetech offers 2 USB ports, allowing you to connect 2 equipment to it at the same time. The product allows charging at up to 2A and ensures safe use. It is also extremely lightweight and handy, yet durable.

As many as 2 available USB ports

You have 2 USB ports at your disposal, which allow you to charge 2 devices simultaneously with an output current of up to 5V / 2A. This will ensure that your devices will be up and running in no time, and save you time! The charger is also distinguished by its wide compatibility - it will be perfect for smartphones and tablets with Android and iOS systems.

For the sake of safety

The charger provides not only efficient, but also safe charging. It is equipped with an advanced integrated circuit that guarantees reliable protection for both it and the equipment connected to it. As a result, you don't have to worry about its overheating, short circuit or overcharging.

Lightweight, handy, durable

Fireproof ABS and PC plastics were used to make the charger. This makes the device incredibly durable, yet lightweight. It also features a handy, compact design. So you can always have it with you - at home, at work or on vacation. It won't take up much space in your purse or backpack!
