Choetech AirBuds Headphones

Take your musical experience to a whole new level. Choetech BH-T08 wireless headphones feature 13-millimeter drivers that deliver fantastic sound quality. Bluetooth 5.3 technology is responsible for a reliable and fast connection, while the long-lasting battery guarantees a long operating time. In addition, they are IPX5 waterproof and have convenient touch panels that make it easy to operate the headphones.

Stunning sound quality

Discover music anew. The headphones are equipped with 13mm drivers, so you can enjoy crystal clear sound and richly detailed HiFi-level sound.

Reliable connection

Connection problems are a thing of the past. Advanced Bluetooth 5.3 technology ensures lightning-fast and stable signal transmission with extremely low latency. It is also responsible for lower power consumption, which translates into longer headphone operation. Pairing them won't be a problem for you - you just need to connect them once to the device of your choice, and every next time they will connect to it automatically right after you take them out of the case.

Powerful battery

You can play your favorite tunes for up to 4 hours on a single charge! Choetech brand headphones also allow for 3.5 hours of phone calls. To charge them to full, you only need about 2 hours. The included charging case is equipped with a 250 mAh battery, which you can easily charge using the built-in USB-C port.

Convenient operation

Enjoy the most important functions of the headphones without having to reach for your phone. The BH-T08 have built-in touch panels, which are sure to make it easier for you to operate the headphones. Among other things, you can use them to stop or resume playback.

Take them with you everywhere

Listen to your favorite songs no matter where you are. You can easily use them while working out or walking the dog in the rain - they are IPX5 waterproof. They are also distinguished by their lightweight and ergonomic design, which makes the headphones fit perfectly in the ears and do not fall out.
