

Bicycle pump Rockbros 42260001

Bicycle pump Rockbros 42260001

Ref: 5905316140653

Rockbros Bicycle Pump 42260001

Make sure your bike's wheels are properly inflated and always have a Rockbros bicycle pump on hand. The device has a compact size - its minimum length is 21 cm, so it can easily fit in your bag during a bike trip. The pressure of the pump reaches 100 psi. The product is compatible with Schrader (AV) and Presta (FV) valves.

Small size, high efficiency

Quickly inflate your bike wheels with pressures reaching up to 100 psi. The compact size of the product allows convenient transportation. The minimum length of the Rockbros inflator is 21 cm, and the maximum length is 33.5 cm. You can easily adjust the length to make using the device as convenient as possible for you!

Compatibility

You can use the Rockbros product with Schrader (AV) and Presta (FV) valves. The pump is designed to work with AV. If you want to use it with the FV valve, all you need to do is install a nozzle.

Careful craftsmanship

The design of the pump, made of aluminum, allows you to store the nozzle conveniently and safely. The structure minimizes the risk of

your hands slipping off the device while pumping the wheel. Using the Rockbros inflator is easy and efficient!

Manufacturer

Rockbros
