

Cable USB-C do USB-C Choetech, PD 100W 1.8m (grey)

Ref: 6971824973099

Cable USB-C do USB-C Choetech, PD 100W 1.8m (grey)

USB-C to USB-C cable, 1.8m

Instantly charge and transfer files with a single Choetech cable! The product supports PD and QC fast charging and allows you to charge your devices with up to 100 watts of power. It allows transfer speeds of up to 480 Mbps. It is made of durable materials that guarantee long life.

Fast charging and data transfer

The cable supports Power Delivery and Quick Charge 3.0 fast charging standards, so you can charge your smartphone, tablet or even laptop in no time. It offers power, which is as much as 100 watts. It also allows you to transfer files at 480 Mbps, which means it will take you only 40 seconds to transfer 1 GB. It's a great solution if you want to share your pictures and vacation photos.

Wide compatibility

Say goodbye to compatibility problems! The cable works with devices equipped with a USB-C port. So you can use it to charge your Samsung S10, Huawei P9 or LG V30 smartphone. You will also use it to power a Dell, Lenovo or MacBook laptop.

High durability

The product is made of durable and wear-resistant materials. In addition, it was braided with durable nylon, which prevents breakage and

resists mechanical damage, so the cable will serve you for a longer time.
