

Powerbank Baseus Adaman Metal, 10000mAh, 2xUSB, USB-C, Light

Ref: 6932172618292

Powerbank Baseus Adaman Metal, 10000mAh, 22.5W (black)

Baseus Adaman Powerbank

Now you can conveniently charge your devices wherever you go. The 10,000mAh Baseus Adaman powerbank supports various fast charging protocols and works with up to 22.5W of power. It is equipped with a digital display and is lightweight and compact enough to accompany you almost anywhere - even on a plane.

Fast charging

Experience how quickly your devices can be ready for use again. The powerbank supports such fast charging protocols as Huawei 5A SCP, PD 20W, PD 18W, PD3.0 20W QC 3.0, FCP and AFC. That means it can charge a Huawei P30 to 60% and an iPhone 13 to 50% in about 30 minutes. It also allows you to simply charge older devices in a short time.

Large capacity

The capacity of the device is 10,000mAh. That means you can use it to charge your iPhone 13 about 2 times, iPhone 12 about 2.1 times, and Huawei Mate 40 about 1.5 times. It doesn't take long to bring the powerbank back to full power. The product supports 2-way PD 3.0 + QC 3.0 fast charging, so you can charge it to 100% in just about 2 hours.

Wide compatibility

The powerbank allows you to charge many different devices such as Samsung, Xiaomi, Huawei and iPhone smartphones, for example. It is also equipped with several ports. It has 2 built-in USB output ports, Lightning input port, micro USB output port and USB-C input / output port.

Built-in display

The small digital LED display makes it easy to use and provides convenient access to some important information. With its help, you can quickly check the percentage of battery charge, as well as the real-time charging voltage and current.

Safety of use

Metal casing means that the product not only looks extremely elegant, but is also extremely durable. The powerbank is protected against overcharging, overvoltage, overcurrent and short circuit. It also automatically adjusts the current to the charged device to protect it from overheating. What's more, Baseus' proprietary BPS technology ensures even greater safety of use.

Lightweight and handy

Despite its huge capabilities, the powerbank is really small and lightweight. It's less than 14mm thick, so you can easily fit it in your purse or even your pocket. It also meets international aviation standards, which means you can take it on a plane. No matter where you go - Baseus Adaman powerbank will provide energy to your devices almost anywhere.
