Speaker Tribit Xsound Mega BTS35 Wireless Bluetooth (black)

Tribit Xsound Mega BTS35 Bluetooth Wireless Speaker (black).

Enjoy high quality sound. The Tribit wireless speaker is equipped with neodymium drivers and 3 modes, allowing you to customize the device's performance. It works for up to 20 h on a single charge and supports fast charging, so you'll have it ready to go again in no time. A strap is also included for easy transport of the speaker.

High quality sound

The Tribit Xsound Mega BTS35 wireless speaker offers great sound quality thanks to its neodymium drivers. In addition, it offers 30 watts of power and 3 modes that allow you to customize the device's performance. Take advantage of Music mode to hear previously unseen details of your favorite songs. Xbass mode will delight you with bass depth, and Audiobook mode is perfect for listening to audiobooks.

Quick connection

The device connects to compatible equipment via Bluetooth version 5.0 for a fast and stable connection. What's more, you can even pair several devices with it simultaneously.

Durable battery

The Tribit speaker is equipped with two batteries with a total capacity of 8,000 mAh. This translates into about 20 h of operation on a

single charge. What's more, it supports fast charging, which will renew its energy in no time. A USB to USB-C cable is included for easy charging.

Thoughtful design

In addition to the speaker and charging cable, the package also includes an audio cable that will allow you to connect the speaker to another device. What's more, the kit includes a strap that will make the BTS35 easy to transport. The colorful backlighting gives the product an original touch, and the buttons located at the top ensure convenient operation.
