Wireless fast charger XO WX019 10W (White)

Ref: 6920680875214

Fast Charger XO WX019 10W Wireless Charger (White)

Quickly and conveniently charge your smartphone with the WX019 wireless charger with a maximum power of 10W. The XO brand product is distinguished by its wide compatibility. For successful charging, the distance between the phone and the charger must be less than 8 mm. The WX019 is made of durable ABS material.

Fast charging

The WX019 supports the Qi fast charging protocol (BPP - 5W) and supports fast charging for Apple (7.5W), Samsung (10W) and Android 10W smartphones. Enjoy convenience and efficiency with an XO brand product!
