Powerbank Baseus Star-Lord 30000mAh, USB, USB-C, 22.5W (black)

Ref: 6932172620714

Powerbank Baseus Star-Lord 30000 mAh, 22.5W (black)

Need a widely compatible powerbank that will allow you to charge up to 3 devices simultaneously? The Baseus Star-Lord product with a capacity of 30,000 mAh and a power of 22.5W will certainly meet your expectations! Star-Lord supports several fast charging protocols and is equipped with the following ports: Micro, Type-C, USB1/USB2. Thanks to the multi-level protection, the use of the powerbank is safe and the product can accompany you anywhere, even on a plane.

Fast charging protocols

A huge advantage of the Baseus Star-Lord is efficiency. With a maximum power of 22.5 watts, the powerbank charges as much as 3x faster than standard 5-watt devices. Star-Lord supports multiple fast charging protocols, such as Apple 20W PD (Apple 13/13 Pro/13 Pro Max/13 Mini, Apple 12/Pro/12 Pro Max/12 Mini), Apple 18W PD (Apple series: 11, X and 8), Huawei 22.5W SCP (P40 Pro, P40, P30 Pro, P30, Mate40 Pro+, Mate40 Pro, Mate40E, Mate40 and others), Huawei 18W FCP (P9 Plus, Mate8, Nova8, Nova4 and others), Xiaomi 18W QC (Xiaomi 9se/cc9/9/8 and others) and Samsung AFC.

High power

Forget about the long wait for your devices to be charged! 30 minutes is enough for your Apple device's battery charge level to reach 50%. What's more, the powerbank features a 30,000 mAh battery, so you can use it for 6 days on a single charge. Star-Lord can charge

an Apple 13 up to 6 times, a Huawei P50, and a Xiaomi 12 up to 4 times. The time it takes to charge the powerbank is 6 to 7 hours. The product can accompany you even on a plane (prior verification with airline staff is necessary) and is great for traveling.

Thoughtful design

The Baseus Star-Lord powerbank features an LED display, giving you easy access to information about the device's charge level. The smart charging technology (BPSII) allows you to dynamically distribute power among the charged devices and automatically adjust the output power and voltage. The smart chip provides multi-level protection against overheating, overvoltage, short circuit, overcurrent and electromagnetic field, among others. Safely charge up to 3 devices simultaneously!

Includes:

Powerbank

USB cable

Manufacturer

Baseus

Name

Baseus Star-Lord Digital Display Fast Charge Power Bank 30000mAh 22.5W

Model

PPXJ080101

Capacity

30000 mAh
