

Audio Cable XO mini jack 3,5mm AUX, 2m (Black)

Audio Cable XO mini jack 3,5mm AUX, 2m (Black)

Ref: 6920680877003

XO 2m mini jack 3.5mm AUX audio cable (black)

The XO NB-R175B audio cable is a practical AUX connector that you will use, among other things, to connect your smartphone to your radio or laptop. It features a universal 3.5mm interface, making it compatible with most devices that have a 3.5mm mini jack port. It also stands out for its durability and resistance to damage, thanks to the use of high-quality materials.

Wide compatibility

The XO cable is compatible with a range of equipment available on the market. It will work perfectly in the car to connect your smartphone with the car radio. With its help you can also connect your phone to wireless headphones, speaker, computer or MP3.

High quality workmanship

The product is distinguished by its incredible durability and resistance to damage. It was made of durable TPE plastic and aluminum alloy, so the cable is resistant to bending and wear. All this makes it sure to serve you for a long time.
