### Soundpeats Air3 Deluxe earphones

Enjoy your favorite songs with the state-of-the-art Soundpeats Air3 Deluxe headphones. Also use them for online meetings, remote lectures or video chatting with friends. Active noise cancellation along with a dual microphone in each headphone will make sure your interlocutors hear your spoken words perfectly. The Aptx codec and Bluetooth version 5.2 are responsible for amazing sound quality, while the availability of a gaming mode is sure to provide an exceptional immersive experience. Charge the device using the USB Type C cable included in the package.

### Long runtime

A long-lasting battery ensures an incredibly long runtime for the headphones. One full charge guarantees up to 5 hours of uninterrupted music playback. The included charging case allows you to extend the Air3 Deluxe up to 22 hours. Take advantage of the innovative wireless charging solution and take the accessory anywhere you want. In addition, the case has a built-in USB-C charging port for fast renewal of its energy.

### Special gaming mode

Qualcomm's advanced aptX-Adaptive technology offers reliable and stable signal transmission and extremely low latency. The Air3 Deluxe does not cause any interference when using multiple applications intensively at the same time. If you are a fan of dynamic

games, be sure to try the dedicated mode. In order to effectively activate the mode with low latency of 60 ms, you only need to hold down the left function button.

#### Superior sound quality

The use of a diaphragm driver measuring 14.2 mm will produce a finely tuned, richly detailed audio signal. Marvel at properly accented tonality, listening to previously unnoticed accents of melodic compositions. Put on Soundpeats brand headphones and discover crystal clear and also properly balanced sound without any distortion.

#### Say goodbye to annoying noise

The Air3 Deluxe features four microphones and a cVc system in 8.0 configuration, responsible for meticulously minimizing any outside noise. This successful combination guarantees the transmission of clear words to enhance fluency during calls. Whether you're calling your loved ones or holding an important conference call, with Soundpeats headphones you'll gain complete confidence that everyone will hear you correctly.

#### Comfortable handling

The compact design and sturdy construction are a successful combination that will work in any situation. Take the Air3 Deluxe headphones with you on a long journey or on an autumn walk and cheer up with atmospheric tunes. The light weight and compact size make it easy to transport in a backpack or purse. Moreover, the ergonomic shape of the headphones will make you forget about any discomfort. The touch panel will facilitate the daily use of the equipment, offering access to the most important functions.
