

Cable Mcdodo CA-1070 USB to Micro USB, 3A, 1.2m (black)

Ref: 6921002610704

Cable Mcdodo CA-1070 USB to Micro USB, 3A, 1.2m (black)

Mcdodo CA-1070 USB to Micro USB cable, 3A, 1.2m (black)

With the Mcdodo cable, you can instantly renew your device's power and transfer files. It is compatible with Huawei, Honor, Xiaomi, etc. brand devices. What's more, the built-in LED screen displays the charging power, and the use of high-quality materials ensures durability against damage. In addition, the Velcro attached to the cable makes it easy to store the product.

Keep track of the charging process

For greater convenience, the cable is equipped with a curved LED screen that displays charging power and recognizes whether the connected device supports the PD fast charging protocol. As a result, you can stay up to date!

Fast charging and data transfer

The cable supports the QC4.0 fast charging protocol, allowing you to renew your equipment's power in no time. What's more, the built-in chips intelligently adjust the current and voltage to the connected device. This ensures stable and safe charging and allows you to monitor charging power in real time. Besides, you can use it to transfer files at speeds of up to 480 Mbps.

Robust design

The Mcdodo cable is designed so that you can use it, for as long as possible. The pure copper core influences fast and stable charging, and the tip is additionally reinforced. In addition, the product has passed a number of tests for durability, and the nylon finish also provides protection from damage.
