Cable Mcdodo CA-1100 USB-C to USB-C, 100W, 1.2m (black)
Cable Mcdodo CA-1100 USB-C to USB-C, 100W, 1.2m (black)

Ref: 6921002611008

Mcdodo CA-1100 USB-C to USB-C cable, 100W, 1.2m (black)
 With the Mcdodo cable, you can instantly renew your device's power and transfer files. It is compatible with Apple, Huawei, Lenovo, Nintendo Switch, etc. brand devices. What's more, the built-in LED screen displays the charging power, and the use of high-quality materials ensures durability against damage. In addition, the Velcro attached to the cable makes it easy to store the product.

Keep track of the charging process
 For greater convenience, the cable is equipped with a curved LED screen that displays the charging power and recognizes whether the connected device supports the PD fast charging protocol. As a result, you can stay up to date!

Fast charging and data transfer
 The cable supports the QC/PD fast charging protocol, allowing you to renew your MacBook Pro's power in about 1.8 hours. What's more, the built-in chips intelligently adjust the current and voltage to the connected device. This ensures stable and safe charging and allows you to monitor charging power in real time. Besides, you can use it to transfer files at speeds of up to 480 Mbps.

Robust design
 The Mcdodo cable is designed so that you can use it, for as long as possible. The pure copper core influences fast and stable charging, and the tip is additionally reinforced. In addition, the product has passed a number of durability tests, and the nylon finish also provides protection from damage.
