

3in1 USB to USB-C / Lightning / Micro USB Cable, Mcdodo CA-6

Ref: 6921002669603

3in1 USB to USB-C / Lightning / Micro USB Cable, Mcdodo CA-6960, 1.2m (Black)

3-in-1 USB to USB-C / Lightning / Micro USB cable (black)

One cable - many possibilities. Mcdodo's 3-in-1 cable is equipped with 3 ports - Micro USB, USB-C and Lightning, so you can renew power in up to three devices at the same time. It offers fast charging at 3A and intelligently adjusts charging parameters to your devices. It's also extremely sturdy and resistant to damage.

Charge as many as 3 devices at the same time

Now you only need one cable to power multiple devices! The Mcdodo cable offers as many as 3 connectors - USB-C, Lightning and Micro USB. So you can seamlessly charge up to 3 devices at the same time, such as wireless headphones, a smartphone and an iPad. Bet on convenience with Mcdodo.

Instant energy renewal

No longer do you have to wait indefinitely for your equipment to be ready for use again. The cable allows for fast charging, so it will renew the energy in your selected devices in just a few moments. It also offers a maximum amperage of 3A.

Durable and damage-resistant

A durable nylon braid is used for the cable, which makes it extremely flexible and resistant to mechanical damage and wear. It is not intimidated by bending or pulling. What's more, it is equipped with 6 control chips that intelligently adjust the charging intensity to the connected devices.
