Ref: 6921002687300

USB 3.0 to USB-C adapter, Mcdodo OT-8730 (gray)

USB 3.0 to USB-C adapter, Mcdodo OT-8730 (gray)
 Enhance the capabilities of your smartphone or tablet. The USB-A / USB-C OTG adapter from Mcdodo allows you to connect a wide variety of devices to your device, and allows you to transfer files at speeds of up to 400Mbps. The product features wide compatibility, as well as a lightweight, compact design. At the same time, it provides stable, smooth operation.

Wide compatibility
 Say goodbye to limitations. With the adapter you can easily connect a USB drive, mouse, keyboard, digital camera and even a game controller to your phone or tablet. This will make your work easier, give you more space for your files, or give you more freedom while playing games. In addition, the product is compatible with devices from well-known manufacturers such as Xiaomi, OPPO and Huawei, for example.

Fast data transfer
 The adapter will also come in handy for those who frequently transfer files between devices. The OT-8730 offers the USB 3.0 standard, which means it can provide transfer speeds of up to 400MB/s. This means that it only takes about 3 seconds to copy 1GB of data! Now

you can transfer all the photos or documents you need in no time.

Lightweight and reliable
 Going to work or university? Take the adapter with you! The device is extremely light and compact - it will easily fit in your bag or pocket. A durable zinc alloy was used for its manufacture, which translates into its strength and resistance to damage. In addition, the use of top-class components guarantees stable, reliable operation of the adapter.
