

## Filter PolarPro Recon Stage 2 | Mist 1/2

Filter PolarPro Recon Stage 2 | Mist 1/2

Ref: 817465028148

Stage 2 | Mist 1/2 filter for PolarPro Recon system

Now you can create unique shots with the Mist 1/2 filter, it is dedicated to the PolarPro Recon system. It will allow you to achieve a unique, hazy image effect. What's more, it softens excessive sharpness and lowers contrast. Moreover, it is made of German Cinema Series glass, which ensures its durability.
