

## Orico ST2-BK precision tool set, 28 pieces

Orico ST2-BK precision tool set, 28 pieces

Ref: 6954301167556

Orico ST2-BK precision tool set, 28 items

The Orico precision tool set will be perfect for both amateurs and professionals. 28 screwdrivers of different sizes and types and additional practical accessories will allow you to work smoothly, and the magnetic handle provides comfort. You will easily unscrew and re-screw smartphones, laptops, desktop computers, gaming consoles and other everyday devices. The set will be especially useful for electronics service technicians.

### Magnetic holder

The included holder is made of high-quality S2 steel, which makes the product extremely durable. The magnetic design allows you to efficiently attach the screw to the screwdriver of your choice and increases productivity. Simple and practical design provides full comfort of use.

### Additional capabilities

Thanks to the fact that the set comes with practical accessories, such as additional handles, a needle, anti-static tweezers, undermining tools and extensions, you can conveniently remove the SIM card from your smartphone, precisely screw in or out a screw, unscrew the device's case without causing damage and much more.

Includes:

1x tool case  
1x magnetic holder  
2x holder  
1x needle  
1x antistatic tweezers  
1x undermining tool
