

Orico MPH-BK-BP phone stand, adjustable (black)

Orico MPH-BK-BP phone stand, adjustable (black)

Ref: 6936761834292

Orico MPH-BK-BP phone stand, adjustable (black)

Indulge yourself in the convenience provided by the Orico adjustable phone stand. The ergonomic design allows you to freely change the tilt angle from 5° to 135° and adjust the height, so you can customize the product to your needs and achieve the comfort you dream of while watching movies, playing games and more!

Attention to detail

The silicone coating protects your smartphone from scratches and reliably keeps it in place. You can easily use the stand and charge your device at the same time. The product is stable, so you don't have to worry about the safety of your phone. What's more, the foldable design will allow you to conveniently store the product and save space.
