

### Power strip with organizer, 5x AC, 3x USB, LDNIO SN5309, EU/

Ref: 6933138691328

Power strip with organizer, 5x AC, 3x USB, LDNIO SN5309, EU/US, 2500W (white)

Power strip with organizer, 5x AC, 3x USB, LDNIO SN5309, 2500W (white).

LDNIO SN5305 power strip allows you to connect as many as 8 appliances at the same time. It is equipped with 5 AC outlets and 3 USB ports, as well as a special control switch that allows you to conveniently manage the entire strip. The specially designed design allows you to hide all the plugs inside the organizer. It has a number of safety features that ensure safe use, and the 2m cable will give you more freedom.

As many as 8 appliances at the same time

The power strip will be perfect both at home and in the office. Its maximum power is 2500 watts. Using AC outlets, you can easily power up to 5 devices, such as a TV, speakers or air purifier. In turn, 3 USB ports will allow you to renew the energy in your smartphone or powerbank.

Carefully thought-out design

Specially designed construction will help you keep your desk in order. L-shaped openings located at the bottom will allow you to manage cables conveniently, as well as great heat dissipation. Also noteworthy is the hidden button that controls the power strip.

For the sake of safety

You don't have to worry about safety. The product is equipped with a number of safety features that guarantee a high level of security. High-quality copper and fire-resistant PC material were used in its construction. The design with 4 invisible buckles provides additional protection for children.
