Ref: 6958377513019

Car Charger Romoss AU45T, USB + USB-C, PD + QC 45W (Silver)

Romoss AU45T 45W car charger (silver)

Provide yourself with a reliable power source while driving. The Romoss AU45T car charger offers fast charging with up to 45 watts of power. It supports the PD fast charging protocol and QC 3.0. It features 2 USB ports, and stands out for its wide compatibility. It also ensures safe use.

Renews energy quickly

Have confidence that your smartphone won't discharge during a long car trip. The car charger offers charging with up to 45 watts of power and up to 5A of amperage. It also supports the fast charging standards Power Delivery and Quick Charge 3.0. Now it only takes a moment for your smartphone to be ready for use again.

Charge up to 2 devices at the same time

Conveniently charge 2 devices at the same time. The Romoss charger features a USB-C and USB-A port. This allows both you and your passenger to connect your phone for charging. No longer does anyone have to wait indefinitely for their turn!

Safe and compatible

You don't have to worry about the safety of your devices. The car charger is equipped with a special chip that ensures optimal safety.

You can also forget about compatibility problems. The device is compatible with most vehicles that have a cigarette lighter socket. You can easily charge your smartphone, tablet or wireless headphones with it.
