Ref: 6973693491421

USB cable Romoss CB251V 3in1 USB-C / Lightning / Micro 3.5A 1.2m (white)

Romoss CB251V 3-in-1 USB-C / Lightning / Micro 3.5A USB cable 1.2m (white)

Renew your device's power quickly and safely with the Romoss cable. The product uses a maximum current of 3.5A, so your device will be ready to work again in no time. What's more, it allows you to connect 3 devices simultaneously thanks to the available USB-C, Lightning and micro USB ports. The built-in chip is responsible for safe use, and the solid workmanship is responsible for the CB251V's durability.

Fast and safe charging

The Romoss cable is equipped with USB-C, Lightning and micro USB ports, so you can use it to charge 3 devices at once - without waiting. In addition, the 3.5 A (max) intensity will allow you to quickly renew your device's power. The product also has a built-in chip that automatically adjusts the intensity to the connected device. As a result, you are assured that using the CB251V is completely safe.

Robust construction

The product is finished with PVC plastic and additionally reinforced at the connectors, so you don't have to worry about damaging it. The cable has also passed a number of tests, so it is durable and resistant to breakage, and you can use it for a long time.
