

Mini Wall Charger XO HN238A 30W, PD (white)

Mini Wall Charger XO HN238A 30W, PD (white)

Ref: 6920680878673

XO HN238A 30W mini mains charger, PD (white).

Conveniently charge up to 2 pieces of equipment at the same time. The XO HN238A mini mains charger features a USB and USB-C port. It offers high-speed PD charging with up to 30W and 3A of power. It stands out for its wide compatibility, so you can easily renew the energy in different equipment. It ensures safe use, and the compact design will allow you to take the charger with you almost anywhere.

Fast charging technology

Even faster device charging. The charger enables fast charging with a maximum power of as much as 30W and offers 3A. It also supports PD fast charging. It only takes a few moments to restore power to your selected devices!

As many as 2 USB ports

Now instantly restore power to as many as 2 devices at the same time! The product features 2 USB output ports - USB-A and USB-C. No longer do you have to wait until one device is ready for use before connecting another. In addition, the charger is distinguished by its wide compatibility. You can easily charge your smartphone, tablet or wireless headphones with it.

Safe use

You don't have to worry about the safety of your devices while charging. It is equipped with a number of safety features that effectively

protect your devices from damage. The smart chip automatically recognizes the connected equipment and adjusts the charging parameters to it.

Compact design

The XO mains charger is perfect for home, office and travel. It is extremely lightweight and small, so you can easily fit it into your bag, backpack or suitcase. What's more, it supports universal AC voltage 100-240, so you can use it anywhere in the world without any problems.
