

Wall Charger with + USB-C Cable XO L91EU 25W (white)

Wall Charger with + USB-C Cable XO L91EU 25W (white)

Ref: 6920680808397

XO L91EU 25W mains charger + USB-C cable (white)

The XO mains charger allows you to quickly charge your devices, so you can renew the energy in a short time on your iPhone, for example. It supports multiple fast charging protocols including Quick Charge 4.0+, Power Delivery 3.0 or SCP. It also offers 25W charging. You don't have to worry about the safety of your devices either, the built-in chip intelligently adjusts the charging power to the connected device.

The perfect travel companion

The charger's compact, handy design means you can always have it within easy reach - it won't take up much space in your backpack or bag. Thanks to its universal voltage, you can use it anywhere in the world. It is made of ABS and PC plastic, which are characterized by durability and wear resistance. In addition, you will also find a practical USB-C to USB-C cable included.
