### Puluz phone bracket holder

Increase your convenience when recording videos and taking photos. The smartphone holder is made of durable aluminum alloy and soft protective rubber, which provides the necessary stability. It is equipped with a Cold Shoes type mount and a universal 1/4 " thread, so you can use it however you want. In addition, the grip clamp is adjustable from 6.5-9 cm, making it widely compatible.

### Wide compatibility

You don't have to worry about compatibility issues. You can adjust the grip clamp in the range of 6.5-9 cm. This way you can easily fit it to the width of your smartphone.

### Many possibilities

The universal 1/4 " thread means you can easily attach the mount to a tripod, stabilizer or selfie stick. At your disposal is also a Cold Shoes mount, which will allow you to mount practical accessories, such as additional lighting or microphone. Now you will prepare even better videos and photos for your social media accounts!
