PULUZ waterproof camera shoulder bag with removable lens bag

Take care of the safety of your equipment. The PULUZ bag is made of durable and waterproof materials that stand out for their exceptional resistance to wear and tear. It allows you to safely store your camera and the accessories you need, and the bag's carefully considered design with an adjustable strap will increase your comfort during use.

Durable and resistant

Waterproof nylon fabric was used to make the bag, which is characterized by above-average durability and resistance to wear and tear. So you can be sure that it will serve you for a long time. The product will perfectly protect your equipment from damage, as well as facilitate transportation and storage.

Large capacity

Take everything you need with you. Thanks to the extremely large capacity of the bag, you can easily fit your camera, lenses, tripod and other necessary accessories inside. In addition, it has a special hidden pocket, which will be great for storing, for example, your phone or wallet. You will also find a practical detachable lens bag included.

Carry it as you like

The carefully thought-out design of the bag will reduce the pressure on your shoulder while carrying it. Uncomfortable shoulder pain is a thing of the past! What's more, you can wear it in as many as 2 ways - on your back or on your chest. It also comes with an adjustable strap, so you can easily adjust it to your preferences.
