Wall charger Romoss AC30T USB + USB-C 30W (white)

Romoss AC30T, USB + USB-C, 30W wall charger (white)

Conveniently charge 2 devices at the same time with one charger. The AC30T from Romoss is equipped with 2 ports - USB-A and USB-C, and supports PD 30W fast charging. This means you don't have to wait too long for your equipment to be ready to use! The product is also very lightweight and handy - you can carry it with you at all times.

Fast charging

Forget about the endlessly dragging wait until your phone is charged. The charger supports PD 30W fast charging, so it will renew the energy of your devices in no time. With its help, for example, you can charge your iPhone 13 Pro Max to 60% in about 30 minutes!

2 available ports

Charge 2 of your devices at the same time or share the charger with another person. The AC30T offers up to 2 ports - USB-C and USB-A. This means that with its help you can easily charge, for example, 2 smartphones, a phone and a tablet or a Bluetooth speaker and wireless headphones. You don't have to limit yourself anymore!

Always at hand

This practical charger can serve you not only at home, but also outside - for example, on vacation or in the dormitory. The product is

extremely light and compact - you will easily find a place for it in your backpack, suitcase or travel bag. The device is also distinguished by its high durability and resistance to damage.
