

Protective Wrap PGYTECH (geek)

Protective Wrap PGYTECH (geek)

Ref: 6970801339415

PGYTECH protective cloth/case

Increase the safety of your equipment during transportation. The protective cloth from PGYTECH further protects your devices from scratches and damage. You can use it to protect your camera, lenses, filters or iPad. It will also be perfect for cleaning the display - it will easily remove dust and stains without leaving streaks. It is made of durable polymer material and processed with nanotechnology, so you don't have to worry about damaging it when washing it in the washing machine. Also noteworthy is the unique design, which is eye-catching.
