Blitzwill smart floor lamp BWL-FL-0002 25W

Ensure optimal lighting and provide a memorable atmosphere for any occasion. The Blitzwill BWL-FL-0002 floor lamp will help you do that! The device allows you to adjust the brightness and color temperature of the light (2700-6500K), and you can also choose its color. You also have 8 modes at your disposal, which will work in different situations. You can also synchronize the lighting with music. The lamp is compatible with the Smart Life app, as well as Google Assistant and Amazon Alexa voice assistants.

The perfect lighting for any occasion

Customize the lighting to suit your expectations. The BWL-FL-0002 lamp allows you to adjust its brightness and color temperature between 2700-6500K, making it perfect for a variety of scenarios. A bright, cool light is conducive to concentration, while a warm and slightly subdued one will help you relax. The device also allows you to choose the color of the lighting. A romantic dinner party? How about a festive gathering with the family? With Blitzwill you can easily create a fantastic atmosphere in any situation!

Smart control

Now you can always have everything you need at your fingertips. All you have to do is install the Smart Life app! With its help, for example, you can conveniently turn the lamp on and off, adjust light parameters, use the timer and choose from 8 available modes. The BWL-FL-0002 is also compatible with Google Assistant and Amazon Alexa smart assistants, allowing you to control it with your voice. All it

takes is a simple command - you don't even have to get up from your comfy chair!

Ability to sync with music

Are you planning a house party? Or maybe you are organizing a birthday party for a friend? Take care of a unique atmosphere! BWL-FL-0002 lamp allows you to synchronize lighting with music. Light pulsating to the rhythm of the songs played is the perfect solution for any party. Dance, enjoy the fantastic lighting effects and be sure that your friends have a great time!

Improved design

The Blitzwill BWL-FL-0002 lamp features a modern, minimalist design, so it can perfectly complement almost any arrangement. High-quality materials were used in its construction, which translates into its durability and resistance to damage. Also noteworthy is the built-in USB port (5V / 1A), which allows charging of selected devices. The lamp is also very easy to install.
