Ref: 5905316141445

Wireless speaker Bluetooth 5.0 Blitzmax BW-WA3 Pro (black)

Blitzmax BW-WA3 Pro Bluetooth 5.0 Wireless Speaker (black).

Music knows no boundaries. The Blitzmax BW-WA3 Pro wireless speaker delivers stunning sound with deep bass and crystal clear treble, as well as 360° surround sound. It features a long-lasting battery with a capacity of as much as 1,600 mAh, and has a runtime of up to 15 hours on a single charge. It allows you to connect in 4 different ways and offers 3 EQ modes. In addition, the RGB backlighting gives it an unfussy touch, and the waterproof design means you can use it freely in almost any conditions.

### Colorful RGB backlighting

Surprise your friends with amazing lighting effects. The speaker is equipped with colorful RGB backlighting, so you can easily create a unique atmosphere, for example, during a house party with friends. The dynamic effects are sure to delight everyone!

### Even better sound quality

Take your music experience to the next level. The Blitzmax BW-WA3 Pro speaker offers up to 120 watts of power and features a double diaphragm. So you can enjoy crystal clear and richly detailed sound. The ear-pleasing treble and strong, deep bass will let you discover previously unknown details of your favorite songs. For even better results, pair 2 speakers together for amazing 360° surround sound.

### Adjust it to your preferences

Now you can easily adjust the sound to your liking. The speaker lets you choose from 3 EQ modes. Heavy Bass, Vocal and 3D modes are at your disposal. Just press the EQ button on the control panel!

Play your favorite songs from various sources

The BW-WA3 Pro allows you to play music in 4 different ways. The device uses Bluetooth 5.0, which provides a fast and reliable wireless connection. Its pairing with the device of your choice will not be a problem. You can also use the AUX port to connect to the speaker via a cable. The product also supports TF cards and a USB drive.

Up to 15 hours of operation

Listen to your favorite playlists for as long as you want. The wireless speaker features a durable battery with a capacity of up to 16,000 mAh. This gives you the freedom to listen to music for 15 hours when the RGB backlight is off or up to 12 hours when it's on. In standby mode, the device lasts up to 24 months! Charging it alone takes about 6 hours.

Designed with the user in mind

Take the speaker with you anywhere. The BW-WA3 Pro is distinguished by its lightweight design, plus you'll find a practical shoulder strap included for easy transport - now you can easily take it to meet friends at the beach or a garden party. It's also IPX5 waterproof, so you don't have to worry about damaging it in rainy weather, for example. What's more, all you have to do is connect the speaker to your smartphone to make phone calls conveniently.
