Wireless headphones Blitzwolf BW-HP2 Pro (black)

Blitzwolf BW-HP2 Pro wireless headphones (black)

With the Blitzwolf BW-HP2 Pro headphones, you'll feel like you're at a music festival anywhere! Thanks to the 50-millimeter drivers, you will delight in HD quality sound. The omnidirectional noise-canceling microphone will allow you to talk comfortably. The equipment will be great for gamers, as it guarantees low latency. Stable connection is ensured by Bluetooth 5.0 technology. The operation of the headphones is comfortable, and their working time reaches up to 42 hours. The equipment has 3.5mm audio and USB ports.

Enrich your musical experience

Discover your favorite songs anew! The BW-HP2 Pro headphones feature 50-millimeter drivers that will keep you entertained with rich details, powerful bass and enhanced bass, midrange and treble. The HD sound quality will make you feel like you're at a concert!

Immerse yourself in the world of gaming

The Blitzwolf BW-HP2 Pro headphones are designed with the needs of gamers in mind. Bluetooth 5.0 technology provides a reliable connection over a distance of up to 10 meters, and low latency ensures perfect synchronization of video and audio. As a result, you will always be able to react quickly to your opponent's movement and finish every game victoriously!

Talk without interference

The omnidirectional microphone with noise cancellation function will allow you to make phone calls comfortably, even in a crowded place. Your interlocutor will always hear you, and unnecessary ambient sounds will not distract you. Do you want to contact your loved ones? Or do you need to discuss tactics with your team members during a game? BW-HP2 Pro will not let you down!

Always ready to work

Don't worry that the Blitzwolf headphones will discharge at the least opportune moment. The equipment is equipped with a powerful 1000 mAh battery, which allows up to 42 hours of operation on a single charge. The time it takes for the headphones to renew energy is 3.5 hours. The BW-HP2 Pro is also distinguished by its low power consumption. The hardware automatically shuts off after 5 minutes if not paired with any device.

Enjoy unparalleled comfort

The earcups of the headphones are made of high-quality materials that are pleasant to the touch. You won't feel any discomfort even during prolonged use of the equipment. With the help of the corresponding buttons you can adjust the volume level, as well as change songs. The BW-HP2 Pro features a modern design and has an LED indicator, and the foldable design allows you to conveniently carry the headphones in your bag or backpack.
