

## HDD Enclosure Orico HM35C3-EU-BK-BP 3,5" (black)

Ref: 6954301106050

HDD Enclosure Orico HM35C3-EU-BK-BP 3,5" (black)

Orico HM35C3-EU-BK-BP external drive enclosure for 3.5" HDD (black)

Get extra storage space for your data. Orico's external drive enclosure supports capacities up to 18TB and works with 2.5/3.5" HDD/SATA. What's more, it provides data transfer speeds of 6 Gbps, and thanks to special security features, you are assured of safe use. In addition, compatibility with Android, Windows, macOS and Linux allows you to connect the case to various devices.

### Fast file transfer

The Orico HM35C3-EU-BK-BP external drive enclosure supports USB 3.1 with a maximum speed of 550 MB/s. What's more, it supports UASP protocols and TRIM function, and the built-in chip is responsible for fast and stable transmission speeds of up to 6 Gbps.

### Security of use

The product is equipped with several security features, so you can be sure that your device is completely safe. The HM35C3 protects against overcurrent, leakage, short circuit and short circuit. Moreover, it provides protection against shocks and drops.

### Compatible

Don't worry about compatibility issues. The drive's external case works with Android, Windows, macOS and Linux. As a result, you will successfully connect it to devices such as a computer, TV, projector, router or PS5 game console. What's more, it is compatible with

smartphones that support the OTG function.

#### Thoughtful design

Aluminum alloy was used to manufacture the device, which translates into durability. What's more, the sturdy nylon braided cable is resistant to damage. In addition, after 10 minutes of non-use, the case will automatically turn off, which will reduce energy consumption and increase the life of the product. You can also monitor the operation of the device - a light indicator will inform you of its status.
