

Orico Type-C 6in1 HUB Multifunction Docking Station (rose go

Ref: 6941788814752

Orico Type-C 6in1 HUB Multifunction Docking Station (rose gold)

Orico Type-C HUB Multifunction Docking Station (rose gold)

Get more options and make your work easier. The Orico docking station is equipped with several ports - 3xUSB 3.0, USB-C and HDMI. It supports 4K video resolution and supports PD 100W fast charging. It also allows you to transfer files at speeds of up to 5 Gbps. The device is also distinguished by its wide compatibility and lightweight yet durable design.

Fantastic image quality

Conveniently give presentations at work or watch movies on the big screen. The Orico docking station is equipped with an HDMI port, with which you can, for example, connect your laptop to a TV or projector. The device supports 4K resolution, which translates into fantastic image quality and vivid colors. Now you will no longer miss any detail!

Fast file transfer

Don't waste your time with a protracted wait until the photos or videos you need are at their destination. The Orico Hub offers 3 USB 3.0 ports that allow you to transfer files at speeds of up to 5Gbps. This means you can copy all the data you need in no time!

Fast charging

Don't be afraid that your laptop will refuse to serve you at a crucial moment of work. The station is equipped with a USB-C port that

supports fast PD charging with up to 100W of power. Just plug in the power adapter (not included) to make sure your device has a steady supply of power and won't discharge at the least opportune moment!

Wide compatibility

The Orico docking station works seamlessly with Windows, Linux, Mac OS and Android operating systems. It is also compatible with Apple M1 and M2. So with its help you can, for example, connect a mouse and keyboard to your computer or a USB drive to your smartphone or phone. The possibilities are really great! Note: your phone and tablet must support the OTG function.

Improved design

The device is made of high-quality aluminum alloy, so it is extremely durable and can dissipate heat efficiently. Don't worry about it getting excessively hot! The hub is also extremely light and handy - you can easily fit it in your backpack or laptop bag. So you can always have it with you - at home, at work or at the library.
