

Orico USB to USB-C Cable 1m (Black)

Ref: 6936761862691

Orico USB to USB-C Cable 1m (Black)

Orico USB to USB-C cable 1m (black)

Conveniently charge your devices and transfer files quickly. The Orico cable supports the PD 60W fast charging protocol, and the maximum transfer speed is 10 Gbps. What's more, you'll connect it to most popular devices, and thanks to its durable construction, it's resistant to damage and will last you a long time.

Fast charging and data transfer

The Orico cable will allow you to quickly renew your device's energy. The product supports the PD 60W fast charging protocol, so you can charge your MacBook Pro 16 in about 2.3 hours, and your Huawei Mate 40 Pro in about 1.2 hours. What's more, USB 3.1 provides data transfer speeds of 10 Gbps - no more waiting indefinitely for your files to transfer.

Wide compatibility

Don't worry about compatibility issues. You can successfully connect the Orico cable to such devices as a hard drive, card reader, keyboard, printer, hub, Nintendo Switch, mouse or USB drive. It also works with smartphones that support the OTG function.

Durable construction

The cable's copper core is responsible for a fast and stable connection, and the ports are resistant to oxidation. What's more, the nylon

braid protects the product from damage. All this ensures that you can use the ACF31-10-BK-BP for a long time.
