

## TELESIN Alu cage for GoPro Hero 12/11/10/9

Ref: 6974944460579

TELESIN Alu cage for GoPro Hero11/10/9

Telesin aluminum protective case for GoPro Hero 12 / 11 / 10 / 9 GP-FMS-G11

Take care of protecting your sports camera from damage and get more interesting recording options. Made of aluminum alloy, the Telesin GP-FMS-G11 protective housing is distinguished by its exceptional durability and is equipped with several mounts so that you can freely mount accessories of your choice on it. It also offers a special protective layer.

### Reliable protection

High-quality aluminum alloy was used to make the housing, making it extremely durable and resistant to damage. What's more, the accessory perfectly fits the shape of the GoPro Hero 12 / 11 / 10 / 9, and as a result can provide it with even better protection. The product is also very easy to install. It is also coated with a special layer that protects the camera from scratches.

### Convenient use

Thanks to its well-thought-out design, the case allows you to comfortably use the camera placed in it and does not limit your options. One of the sides of the accessory can be opened, which makes it easy to connect the device for charging. You also have enough space to mount max lenses or ND filters without any obstacles.

Use additional accessories

Get more options. The housing is equipped with a 1/4" hole and 2 cold shoe mounts, so you can mount additional accessories on it, such as a tripod, selfie stick, microphone or additional lighting. Create even more interesting video footage and share it with the world!
