Selfie Stick Invisible Insta360

The Invisible Selfie Stick from Insta 360 will allow you to create the perfect selfie and capture special moments. Its maximum length when unfolded is 70 cm, and thanks to its handy foldable design, you can easily fit it into your purse or backpack. With the Invisible Selfie Stick you will capture spectacular frames from an unusual perspective, and what's more, it is compatible with various Insta360 camera models.

Stunning effects

Find out how easy it is to create uncommon frames. The Invisible Selfie Stick is automatically removed when you take 360° photos, so you can easily take a selfie with your friends, and the stick will be invisible! It's great for creating original shots from different perspectives.

Fits various models

The product is compatible with 360 cameras that are equipped with a dual lens. Do you own an Insta360 camera? Invisible Selfie Stick is the perfect accessory for you! You can easily mount your ONE X2, ONE X3, ONE RS, ONE R, ONE X and GO 2 camera to it.
