Chest mount for Insta360 sports cameras (3, ONE RS, GO 2, ONE X2, ONE R)

Ref: 6970357853908

Chest mount for Insta360 sports cameras (3, ONE RS, GO 2, ONE X2, ONE R)

Create even better shots from a completely different perspective. This practical accessory will allow you to attach your Insta360 camera to your chest. The carefully thought-out design provides unparalleled comfort during use, and what's more, it allows you to position the camera both vertically and horizontally. Among other things, it will be great for recording footage while cycling or running. The mount will help you capture original shots from a first-person perspective.
