

Headlight Superfire HL60, 2300lm, USB-C

Headlight Superfire HL60, 2300lm, USB-C

Ref: 6975515770219

Superfire HL60 headlamp flashlight

The Superfire HL60 headlamp flashlight has a large reflector with a diameter of as much as 76 mm, which provides an illumination level of 2300 lm with a range of up to 330 m. The rechargeable battery guarantees up to 9 hours of operation, and you can easily recharge it with a USB-C cable (included) when needed. At your disposal are 4 light modes and adjustable angle. The flashlight is extremely comfortable, and the IP44 protection rating means you can use it in almost any conditions.

Choose from 4 light modes

Match the lighting to almost any situation. The HL60 lets you choose from 4 available light modes - High, Medium, Low and Strobe. You can also easily adjust the illumination angle from 0-90°.

Optimum illumination in a variety of conditions

The reflector, with a diameter of as much as 76 mm, guarantees excellent illumination with a brightness of 2300 lm, so you can easily illuminate even a large area. What's more, the device can shine at a distance of up to 330 meters. All this makes the HL60 flashlight perfect for various scenarios of use. You will successfully use it when fishing or exploring caves, and it will also light your way during a night hike. Your possibilities are almost limitless.

Up to 9 hours of operation

Now you can use the flashlight for as long as you want. The device provides up to 9 hours of operation. Are you worried that the battery will drain at an unexpected moment? Don't be! The flashlight has a special light indicator that keeps you informed about the state of charge of the battery - so you can be sure that nothing will surprise you! You can easily charge it with the included USB-C cable.

Designed with the user in mind

The Superfire HL60 flashlight is made of high-quality materials with exceptional durability. It's also IP44 waterproof, so it won't be intimidated by raindrops or accidental splashes. The device also provides unparalleled comfort even during prolonged use.
