

## Wireless Gaming Mouse Delux M627 2.4G 16000DPI RGB

Ref: 6938820405672

Wireless Gaming Mouse Delux M627 2.4G 16000DPI RGB

Delux M627 2.4G RGB 16000DPI Wireless Gaming Mouse

Enjoy unparalleled user comfort and precision. The Delux M627 Wireless Gaming Mouse features an ergonomic design, so you can use it without worrying about feeling tired. What's more, it uses a precise optical sensor and allows you to adjust the resolution up to a maximum of 16,000 DPI. It works both wired and wirelessly, and dedicated software will allow you to customize its operation.

2 ways to connect

You can connect the Delux gaming mouse to a compatible device in 2 ways. Choose a wireless connection in the 2.4G band, for greater freedom of use, or use a USB-C cable (included) - to make sure the mouse doesn't discharge at the least opportune moment.

Precision

Gain the edge over your opponents. The Delux M627 mouse is equipped with a PMW3389 optical sensor and allows you to adjust the resolution up to 16,000 DPI. What's more, the sampling rate reaches 1000 Hz, so you can enjoy unparalleled precision.

Ergonomic

Play, work and browse the web without feeling tired. The Delux gaming mouse features an ergonomic design so you can enjoy long-lasting comfort. The non-slip finish provides stability, and the buttons yield perfectly to your fingers for more comfortable use.

#### With attention to detail

The Delux M627 is equipped with color indicators that indicate the set DPI level. What's more, the RGB backlighting enhances immersion during gameplay. In addition, the mouse can be used by both left- and right-handed users. You'll also find 4 interchangeable caps in the set, which you'll use for greater convenience of use.

#### Additional capabilities

The Delux offers dedicated software with which you can program the mouse buttons, adjust the backlight, DPI, etc. This will allow you to fully customize the mouse's operation.
