

Gaming Keyboard Delux KM36BU

Gaming Keyboard Delux KM36BU

Ref: 6938820413936

Delux KM36BU gaming keyboard

The Delux KM36BU gaming keyboard consists of 61 keys, making it ideal for smaller spaces. It is equipped with blue switches and offers 12 backlighting modes.

Compact design

The Delux keyboard is distinguished by its compact design - it has 61 keys with a lifespan of up to 20 million clicks. As a result, it won't take up too much space. In addition, it is equipped with blue mechanical switches, which are characterized by loud operation and will work well for typing and gaming.

Colorful backlighting

For even more immersion, the keyboard has been equipped with colorful backlighting. You can customize the look of the KM36BU by choosing between 12 backlighting modes. This will make the device a great addition to your gaming kit.
