

Wall charger LDNIO A2201 2USB + Lightning cable Wall charger LDNIO A2201 2USB + Lightning cable

LDNIO A2201 2USB network charger + Lightning cable

No more need to carry several chargers for your devices! LDNIO A2201 is equipped with 2 USB ports, so you can charge 2 devices at the same time. High-quality materials were used in its construction, so you can rest assured about the equipment you are charging. What's more, it is lightweight and small enough to successfully serve you on any trip. You'll also find a Lightning cable included.

Don't waste time waiting

Someone wants to borrow your charger and your phone is running low? Now you can charge 2 devices simultaneously with one charger. The A2201 is equipped with 2 USB ports that support fast charging protocols, so you will replenish both devices in no time. This task will be facilitated by the included Lightning cable.

Safe charging

High-quality materials have been used to make the charger, so its use is completely safe. What's more, the built-in ports are equipped with intelligent sensors that recognize the plugged-in equipment and automatically adjust the appropriate supply of power so you can successfully charge your laptop, phone and other devices, and a number of electrical safety features will ensure their full protection.

Wide compatibility

Mobilemax - Gadgets and Accessories Rua Vasco da Gama n61, 8005-411, Estoi - Faro, Portugal (Continente) Phone: +351962484153 (Call to national mobile network) Email: info@mobilemax.pt
