Wall charger LDNIO A2203 2USB + USB-C cable

LDNIO A2203 2USB network charger + USB-C cable

LDNIO charger is distinguished by its wide compatibility and works with devices from well-known manufacturers. It works with a standard voltage of 100 - 240V. Equipped with two USB ports, it supports fast charging protocols and offers 12W of power. High-quality materials have been used in its construction, and its use is completely safe.

Efficient and safe charging of devices

The A2203 charger features two smart USB ports that automatically adjust the power supply to the devices plugged in, so you don't have to worry about damaging them. The ports support QC 3.0 technology, so you will successfully charge devices from popular manufacturers. This task will be facilitated by the included USB-C cable.

Robust construction

The charger uses high-quality materials that are resistant to wear and heat. This makes the transmitted voltage stable and the connected devices fully safe.
