

Wall charger LDNIO A2219 2USB + USB-C cable

Wall charger LDNIO A2219 2USB + USB-C cable

Ref: 5905316141766

LDNIO A2219 2USB network charger + USB-C cable

The fast-charging mains charger from LDNIO is equipped with two universal USB ports. With their use you will replenish the energy in your devices in a short time. Model A2219 supports equipment from well-known manufacturers, so you don't have to worry about compatibility. You will also find a 1m MicroUSB cable included.

High quality workmanship

The A2219 charger is made of high-quality materials, so its use is completely safe. It stably maintains voltage and does not overheat your devices. You don't have to worry about your equipment when using LDNIO A2219. In addition, its compact design will make it fit easily into any purse, sachet or backpack.

Instant charging

With the LDNIO charger you save time and space and at the same time. Nothing prevents you from charging, for example, a phone and a laptop at the same time with one device. What's more, the USB ports support fast charging protocols, so you won't have to wait long for the connected devices to fully charge. The A2219 charger works with most devices from well-known manufacturers.
