Wall charger LDNIO A2405Q 2USB + USB-C cable

Ref: 5905316141940

LDNIO A2405Q 2USB network charger + USB-C cable
This universal charger stands out for its wide compatibility and allows you to charge almost any device. The product is equipped with two USB ports, and one of them allows QC 3.0 fast charging, so you can conveniently charge two devices at the same time. High-quality materials and technologies used will make your equipment completely safe. What's more, the charger will surprise you with its modern design and compact design.

Robust construction and modern design
Environmentally friendly, high-end materials have been used in the construction of the charger, so it is resistant to wear and tear and will successfully serve you for a long time. Thanks to its smart safety features, all your devices will be protected from any electrical hazards, such as overheating or short circuit. In addition, its compact design will make the LDNIO A2405Q the perfect companion for any trip, which pleases the eye with its modern design.

Wide compatibility
The charger accepts a voltage of 100 - 240 volts and has two universal USB ports, so you can charge, for example, headphones and a phone at the same time. The product works with devices from popular manufacturers, so you don't have to worry about compatibility. You'll also find a USB-C cable included.
