Ref: 5905316142022

Wall charger LDNIO A2423C USB, USB-C + USB-C cable

LDNIO A2423C USB, USB-C mains charger + USB-C cable

Opt for functional solutions. LDNIO mains charger is equipped with two fast charging ports - USB and USB-C, and stands out with a power of 25 watts. The product is made of safe and wear-resistant materials, and thanks to the technologies used, it managed to achieve a multi-level protection system for the charged devices. The A2423C offers wide compatibility and is extremely lightweight and handy. What's more, an LED light is built into the charger's design, which will provide a warm and pleasant light that you can turn off at any time.

Instant charging

LDNIO A2423C offers 2 ports - USB and USB-C, so you can charge your phone and tablet at the same time, for example. The product fully supports fast charging protocols such as PD, QC 3.0, SCP, FCP, VOOC, PE, so you will successfully replenish your devices with up to 25 watts of power in no time!

Not just a charger

The A2423C is equipped with an LED light that emits a pleasant, warm light. Just push a button to turn it on or off, or adjust the brightness to suit your needs. The lamp will help you find your charging phone in the dark or serve as a practical night light.

Thoughtful design

The product is made of polycarbonate that can withstand high temperatures of up to 850°C. What's more, the charger provides multi-level protection for connected devices. You don't have to worry about short-circuiting, overcharging, overheating, etc. electrical hazards.

Wide compatibility

The A2423C charger accepts voltages of 100 - 240V, which means you can use it in almost any available outlet without any problems, regardless of its standard. What's more, the smart chip automatically recognizes the connected device and adjusts the power supply at the appropriate level. Universal USB and USB-C ports will ensure wide compatibility - the product supports devices from well-known manufacturers and most popular fast charging protocols. In addition, you will find a USB-C cable included.
