

Wall charger LDNIO A2620C USB, USB-C 65W + USB-C - USB-C cab

Ref: 6933138691137

Wall charger LDNIO A2620C USB, USB-C 65W + USB-C - USB-C cable

LDNIO A2620C USB, USB-C 65W mains charger + USB-C - USB-C cable

The LDNIO A2620C network charger offers 2 input ports: USB-C and USB-A, so you can charge 2 devices at the same time. It uses 65 watts of power and supports PD and QC3.0 fast charging protocols. The lightweight and compact design does not take up much space, and the use of fire-resistant PC ensures safe use. You will also find a USB-C to USB-C cable included.

Fast charging of 2 devices simultaneously

LDNIO A2620C is equipped with USB-C and USB-A ports, allowing you to connect 2 devices simultaneously. It uses 65 watts of power and supports PD and QC3.0 fast charging protocols - no more waiting indefinitely for your device to charge.

Thoughtful design

The charger is made of flame-resistant PC, so you can use it safely. It's also unafraid of falls. In addition, it is equipped with a number of safety features, so you don't have to worry about damaging your equipment. LDNIO A2620C is also distinguished by its lightweight and compact design - you can successfully take it on the go. In addition, wide compatibility increases the freedom of use.
