

Wall charger LDNIO A303Q USB 18W + Lightning cable

Wall charger LDNIO A303Q USB 18W + Lightning cable

Ref: 5905316142183

LDNIO A303Q USB 18W mains charger + Lightning cable

The LDNIO A303Q network charger is great for traveling - it is lightweight and compact, so it won't take up much space. What's more, it offers fast charging and works with a wide range of devices. The kit also includes a Lightning cable.

Fast and safe charging

LDNIO A303Q supports the QC3.0 fast charging protocol and uses 18W of power. This makes it charge devices 4 times faster than other chargers. In addition, it matches the voltage to the connected device, for even more efficient charging. In addition, the charger was created from fire-resistant PC, so you can use it safely.

Perfect for traveling

The LDNIO A303Q mains charger is distinguished by its small design, so it will fit into a backpack or purse. What's more, it supports a voltage range of 100-240V, so you can also use it abroad.
