

## Wall charger LDNIO A3312 3USB + MicroUSB cable

Wall charger LDNIO A3312 3USB + MicroUSB cable

Ref: 5905316142220

LDNIO A3312 3USB network charger + microUSB cable

The LDNIO A3312 network charger offers 3 USB ports, so you can connect several devices to it at the same time. It is compatible with smartphones from popular brands, and thanks to its compact design, you can take it on the go. A USB to microUSB cable is included, and the use of special safety features and fireproof material are responsible for its resistance to damage.

### Safety of use

Don't be afraid of damaging your equipment. The LDNIO A3312 charger is made of fire-resistant PC material and has a number of safety features. It protects against overcurrent, overvoltage, short circuit, overcharging, overheating, electromagnetic field, etc.

### Fast charging, wide compatibility

The charger has 3 USB ports and uses 17W of power, which will quickly renew the energy of your devices. What's more, it works with most models of smartphones from popular brands, so you don't have to worry about compatibility issues.

### Take it on the go

Vacation, business trip, way to the university - in these and similar situations the LDNIO A3312 charger will work well. It is distinguished by its compact design, so it will not take up much space in a backpack or purse. In addition, it supports voltage from 100 to 240V, so you

can use it no matter where you are.
