

## LDNIO C510Q USB, USB-C Car charger + Lightning cable

Ref: 5905316142619

LDNIO C510Q USB, USB-C Car charger + Lightning cable

LDNIO C510Q USB, USB-C car charger + USB-A - Lightning cable

With the LDNIO C510Q car charger, you can charge 2 devices simultaneously. The product has USB and USB-C ports and supports fast charging protocols. It is made of fire-resistant materials, ensures safe use and will work well for most vehicles. In addition, the lightweight and compact design means that the C510Q won't take up much space.

### Fast charging

The LDNIO C510Q car charger can charge 2 devices simultaneously. The USB-A port supports QC 3.0 fast charging protocol, while USB-C supports PD 3.0, so you'll instantly renew your equipment's power and save time. The product is compatible with devices from brands such as Huawei, Samsung, and Apple. It also works with tablets, navigators, and air purifiers.

### Safety of use

The product was created with fire-resistant materials and intelligently adjusts the charging speed to the device. In addition, it has a number of safety features for even greater safety of use. It protects the device from overcurrent, overvoltage, over-discharge, overheating, short circuit, electromagnetic field, etc.
