

Wall charger LDNIO A6573C EU 5USB, USB-C 65W + Power cord

Ref: 6933138600290

Wall charger LDNIO A6573C EU 5USB, USB-C 65W + Power cord

LDNIO A6573C EU x5 USB, USB-C 65W mains charger + Power cable

Charge several devices at once with the LDNIO A6573C network charger. It offers 5 USB-A ports and 1 USB-C port that support fast charging protocols. It will find its use both at home and at work. It is made of flame-resistant PC plastic and comes with a number of safety features, making it safe to use.

Charge several devices simultaneously

The LDNIO charger supports PD, QC3.0, FCP and SCP fast charging protocols, so it will allow you to renew your devices' power quickly. What's more, it intelligently adjusts the amperage according to the connected equipment. It also offers 5 USB-A ports and 1 USB-C port, allowing you to charge several devices at the same time.

Compatible

Another advantage of the LDNIO charger is its wide compatibility. With its help you will renew the energy of your smartphone, tablet, laptop or TWS wireless headphones. The product also works with Nintendo Switch game consoles and smartwatches.

Safe use

The LDNIO A6573C mains charger is made of fire-resistant PC, so you can use it safely. What's more, it has a number of safety features,

including overcurrent, overvoltage, overcharging, overheating, short circuit and electromagnetic field.
