

Wall charger LDNIO A2526C USB, USB-C 45W + USB-C - USB-C Cab

Ref: 5905316144514

Wall charger LDNIO A2526C USB, USB-C 45W + USB-C - USB-C Cable

LDNIO A2526C USB, USB-C 45W network charger + USB-C/USB-C cable

Quickly charge 2 devices simultaneously with the LDNIO dual-port network charger. The device operates at 45 watts and supports PD and QC3.0 and QC2.0 fast charging protocols, and with the A2526C offering USB and USB-C ports, it stands out for its wide compatibility. Also noteworthy are the product's flame-resistant casing, a number of safety features and an LED light. The kit comes with a USB-C/USB-C cable.

Instant charging of 2 devices simultaneously

LDNIO's network charger supports QC3.0 and QC2.0 protocols with 22.5W and PD with 45W. It is equipped with USB and USB-C ports, so it is widely compatible with smartphones from well-known manufacturers and can renew the power of 2 devices at the same time. What's more, the product is equipped with an LED light.

Total safety of use

You don't have to worry about the safety of your devices. The LDNIO mains charger provides protection against overvoltage, short circuit, overcharging and overheating, among other things. The A2526C also has a built-in smart chip that increases the level of protection for your devices, and the product's housing is made of fire-resistant PC material. You can drop all your worries!
