

Wall charger LDNIO A2425C USB, USB-C with lamp + microUSB Ca

Ref: 6933138691892

Wall charger LDNIO A2425C USB, USB-C with lamp + microUSB Cable

LDNIO A2425C USB, USB-C network charger with light + microUSB cable

Ensure convenient charging with LDNIO. The A2425C network charger is equipped with two ports - USB and USB-C supporting PD and QC3.0 protocols, and thanks to its compact size, it will be the perfect companion for any trip. What's more, the built-in LED light will provide a soft light that you can turn off at any time.

Wide compatibility

The charger stands out for its wide compatibility, and thanks to its support of fast charging protocols, it provides instant replenishment of your devices, intelligently adjusting the supply of energy. It supports various outlet standards (100 - 240 V), so you can safely use it on the go.

More than a charger

LDNIO A2425C is more than a charger. The device has a built-in LED light, so it will also serve you as a bedside lamp. With just one touch, you can turn the light on/off. If you want the light to shine stronger, hold the button a moment longer.

Solid construction

The charger is made of high-quality polycarbonate that can withstand temperatures up to 850°C and has a number of electrical safety

features. All this means you can rest assured about the devices you charge. You'll also find a microUSB cable included.
